ThinkPad ULTRA DOCKING STATION

NEW SIDE CONNECTION. SAME ENTERPRISE-GRADE EXPERIENCE.

Lenovo™ ThinkPad® Ultra Docking Station provides the best docking experience for Large Enterprise ThinkPad customers. The innovative side connector, designed exclusively for ThinkPad notebooks, provides a driver-free way to connect conveniently and securely to a range of USB accessories and external displays, while rapid charging support and a mirrored power button make going mobile even easier. Designed for large enterprise environments, ThinkPad Docking Stations support PXE book, Wake-on-LAN, and MAC address pass-through, simplifying asset management for IT managers. Painstakingly crafted and extensively tested, ThinkPad Docking Stations provide a seamless docking experience for professionals.

WHY YOU SHOULD BUY LENOVO THINKPAD ULTRA DOCKING STATION

Innovative side connection. Exclusively for ThinkPad notebooks.
The innovative ThinkPad Ultra Docking Station side-connector maintains the same intuitive one-step docking experience commercial customers have come to expect. Designed with combination of dual USB-C and ethernet ports, the side docking connector delivers a simple mechanical docking experience with almost all 2018 T, L, X, X1 Series ThinkPad notebooks.

Designed with Enterprise IT in mind
ThinkPad Ultra Docking Station is equipped with all the features IT managers need for company-wide deployments, management, and security; vPro, PXE boot, and Wake-on LAN, MAC address-pass through and optional master key lock.

Industry-leading performance
ThinkPad Ultra Docking Station delivers 10 Gbps high-speed data through four USB 3.1 ports, and up to three UHD displays @ 60 Hz resolution. Combined with a 135W adapter it is the perfect desktop expansion solution for graphic-intensive work.
